

Mission Enabling Medical Support Around The World

ABOUT US

Iqarus is a world leader in delivering exacting standards of medical care and training in the world's most challenging operating environments.

We work side by side with governments, IGOs, NGO's, military forces, and others, to provide the medical support which enables them to accomplish their mission objectives with total focus and confidence.

We rapidly develop and deliver innovative and scalable turnkey medical solutions, from individual medical staff to fully staffed Damage Control Surgical Units and full-scale field hospitals, often in areas of considerable risk. It is our team's decades of unparalleled experience at delivering medical support in these areas that allows us to expertly manage these risks for our clients.

Wherever the need is urgent or complex and regardless of location - Iqarus is ready to help.

WHAT WE DO

Mission Enabling Medical Support

We go where the mission goes, regardless of urgency, complexity, or environment.

We have decades of unparalleled global experience across a variety of settings, always delivering on time and on budget.

Our clients trust us to develop solutions tailored to their needs and operating environments in the areas of:

- Pre-hospital Emergency Care
- Pre-Deployment, Tactical Combat Casualty Care (TCCC), medic refresher and Combat Medic Training
- Far Forward Medical Care
- Casevac and Medevac
- Damage Control Resuscitation
- Damage Control Surgery
- Deployable Infrastructure

WE MAKE A DIFFERENCE

At Iqarus, our commitment to supporting military operations in the world's most challenging environments sets us apart. With a team of seasoned professionals who have served in elite military units, we understand the demands of operating in high-risk, austere environments. Our deep-rooted experience in military medicine, from pre-hospital emergency care to damage control surgery, allows us to deliver mission-critical medical support that ensures troops are combat-ready and able to focus on their objectives with total confidence.

We pride ourselves on being a trusted partner to military forces, providing tailored solutions that enhance operational effectiveness and save lives. Whether we are deploying forward medical teams, conducting expeditionary training, or establishing full-scale field hospitals, our mission is to ensure that those who protect and serve are always supported by the highest standards of medical care.

Iqarus is an independently managed subsidiary of the International SOS Group, the world's leading health and security assistance services company. Together, we are unmatched in our ability to deliver the highest standards of medical care in any operating environment.
